메이커 제안서

Proposal

# — **make a video for oneself** and feel joy.

Can you convey the precious moment in the picture with a deeper touch?  
Is there any video that anyone can produce without being an expert?  
I wanted to share a moving moment.  
Experience a movie-like video that anyone can make through a film maker.

## Perfect Solution FEELMAKER

### LOW PRICE

You can produce video at a lower price.

Since it is not based on FLASH PLAYER used by other companies, it can be produced on mobile devices.

You can make and edit your own video, and party planners can easily give it to customers after making it for service. Production time is made within 1 hour after uploading the photo and can be easily re-edited.

### FREE INVITATION

By providing a free mobile invitation service, we will increase the value and convenience of affiliates as well as video. All this is free.
